ARPAN DECORES

CNC Technology & Design Studio

Where Precision Becomes Art.

Crafting Precision.
Creating Timeless Surfaces.

At Arpan Decores, we believe that true luxury lies in the details.

Every surface we design is guided by precision CNC technology and refined by a deep understanding of materials, form, and space.

Rooted in craftsmanship and elevated by contemporary design, our work brings together modern innovation and warm architectural sensibilities, creating pieces that are enduring, thoughtful, and distinctly refined.

ABOUT ARPAN DECORES

Arpan Decores is a CNC Technology & Design Studio specializing in laser cutting, CNC routing, and custom design work.
We work closely with architects, designers, builders, businesses, and homeowners to turn ideas into beautifully crafted pieces with precision and attention to detail.
With advanced machines, quality materials, and a strong design approach, we create a wide range of products from architectural panels and doors to customized décor and gifting items.
Every project reflects our commitment to quality, precision, and thoughtful design.

CNC Technology & In-House Capabilities

Our workshop is equipped with advanced CNC systems that enable intricate detailing and consistent quality.

- CNC Fiber Laser Cutting.
- Fiber Laser Marking.
- CNC CO_2 Laser Cutting & Engraving.
- CNC Router.
- Plotter.

Technology remains the backbone, quietly enhancing design without overshadowing it.

Our Process

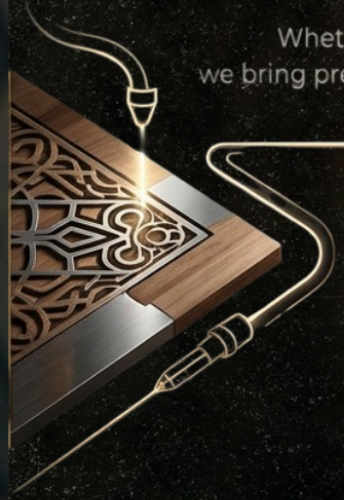

From Concept to Completion

- Design Consultation.
- Concept Development.
- Material Finalisation.
- Precision CNC Execution.
- Finishing & Quality Assurance.
- Delivery.

Every stage is approached with clarity, coordination, and meticulous attention.

Let Us Shape Your Vision

Whether architectural, decorative, or personalized –
we bring precision, craftsmanship, and warmth to every creation.
